Neither any "Non Adjusting Events" nor Any "Adjusting Events" took place after the reporting period,

23.00 Impairment

(a) Financial assets

Accounts receivable and other receivables are reviewed at each reporting date to determine whether there is any objective evidence of impairment. Financial assets are impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset and that the loss event had a negative effects on the estimated future cash flows of that asset, that can be estimated reliably. Objective evidence that financial assets are impaired can include default or delinquency by a debtor, indications that a debtor or issuer will enter bankruptcy etc.

(b) Non-financial assets

An asset is impaired when its carrying amount exceeds its recoverable amount. The company reviews at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Carrying amount of the assets is reduced to its recoverable amount by recognizing an impairment loss if, and only if, the recoverable amount of the asset is less than its carrying amount. Impairment loss is recognized immediately in profit or loss, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset shall be treated as a revaluation decrease.

24.00 Reason for major variances of items in financial statements:

*Increase in cash and bank balance due to a hug amount collected in the end, of the month March ,2024.

*Increase in Loan liabilities because repayments to the banks and other financial institutions in terms of the repayment schedules of the agreements not due to payment.

*Increase in Liabilities for expenses is due to the fact that certain liabilities (e.g. Salary, Audit fee, Electricity etc.) originated in March 2024, were paid subsequently.

*Decrease in Net Operating Cash Flow from previous quarters due to the fact that more amounts as necessitated, have been paid to suppliers and others during this period.

25.00 Comparative information

Comparative information has been presented in respect of the prior period in accordance with IAS-1: Presentation of Financial Statements, for all numeric information in the financial statements and also the narrative and descriptive information where it is relevant for understanding the current period's financial statements.
